

*The Force in Flexible Magnetics* ®

**NOVEMBER 4, 2022**

**Attn:** To Whom It May Concern

**RE: RECYCLED CONTENT IN MAGNET**

Please be advised of the following information regarding recycled content in our plain flexible magnet:

It has a total recycled content of 75%, which is 100% pre-consumer recycled material.

Sincerely,

A handwritten signature in black ink that reads 'Joe Stout'. The signature is written in a cursive style with a large, prominent 'J' and 'S'.

Joe Stout  
Director of Product Development & Quality  
Magnum Magnetics Corporation
