

*The Force in Flexible Magnetics*®

**FEBRUARY 26, 2014**

**Attn:** To Whom It May Concern

**RE: RoHS AND WEEE DIRECTIVE COMPLIANCE**

Please be advised of the following information regarding RoHS and WEEE Directive Compliance for Magnum Magnetics:

The flexible magnet products produced by Magnum Magnetics are found to be in compliance with RoHS and WEEE by review of material safety data sheets and other documents made available to us from our suppliers in addition to testing for RoHS and WEEE compliance by way of the CONEG, and X-ray fluorescence elemental analysis.

Sincerely,

A handwritten signature in black ink that reads 'Joe Stout'.

Joe Stout  
Director of Product Development & Quality  
Magnum Magnetics Corporation
