EnGage™ MEDIA SYSTEM

Magnum Magnetix® introduces DigiMaxx® EnGage™ an easy to install printable magnetic receptive media that is durable and has excellent adhesion. EnGage media is engineered with an optimized surface for superior print quality and offers a neutral white point. EnGage offers an impressive array of benefits from large format printer compatibility and no edge chipping without sacrificing performance at an affordable price point.

FEATURES & BENEFITS

Truly Affordable

Significant savings over existing magnetic receptive products in the market

Up to 60" Wide

Maximize output speeds on larger graphics

Superior Print Quality

Reliable, consistent, and proven print surface

No Coatings Required

Naturally receptive print surface –no need for top-coating

Easy to Clean

Fingerprints and other minor blemishes clean easily without residue

No Edge Chipping

Material that cuts smoothly without delamination

Smooth Backside

Eliminate scratches on prints when stacked or rolled up

Universal Compatibility

One material for most printers and inks–Eco-Solvent, UV and Latex*

Easy Installation

Roll it up and roll it on–no professional installation is required

Backward Compatible

No need to change your existing fixtures–EnGage will adhere to existing magnet surfaces

EnGage™ Receptive
