
Custom Packaging Options for Magnum[®] Flexible Magnetic Products

Value-added service. Magnum is providing a new value-added service – flexible magnets packaged your way for retail or for bulk! Save time, reduce handling, and simplify processing when Magnum packages product to your specifications right at the factory. Our automated processes allow us to produce material and package economically, which saves you money!

One-stop shopping. Magnum can supply the flexible magnetic material and the custom packaging. No need for you to ship material to your facility or elsewhere for conversion and packaging. Magnum can do it all for you!

Product capabilities. We offer flexible magnetic material with a wide selection of vinyl, paper and specialty film surfaces to accommodate your customers' different printing methods as well as adhesives for indoor and outdoor applications. Die-cutting, scoring, slitting, punching and chopping are just some of the other custom fabrication options we offer to meet your specific needs.

Packaging capabilities. We can provide a full range of custom packaging, disposable or returnable, printed and unprinted, including, but not limited to, die-cut fold up cardboard boxes, tubes, wooden crates, plastic crates, skids, blister packs, card stock envelopes, "buckets", and poly bags (with and without headers). In addition, we can bar code (both the product and the package), affix stickers, and provide printed inserts (customer supplies the artwork). We can shrink-wrap and heat seal, tape, tie-twist, or staple shut the packaging for you. Our people will work with you to develop packaging to suit your needs. The possibilities are endless!

Customization

Package quantities are based upon your requirements. Packaging, both retail and bulk, can be sized to accommodate any quantity. Allow two weeks for prototyping. Using artwork provided by you, we are able to supply printed cartons, poly bags, envelopes, hanger tabs, "buckets", tubes, boxes, stickers, ... and more in either full color or black and white. Die and artwork charges will apply to initial orders. Remember that we also will supply the flexible magnetic product in the form you specify.

Fulfillment

Magnum can also handle order fulfillments to the retailer on your behalf. Contact us to discuss your requirements.

Our promise

Magnum Magnetics provides superior customer service and high-quality flexible magnetic sheet, strip and custom profiles at competitive prices. That's our promise and your assurance of satisfaction from The Force in Flexible Magnetics®.
