DigiMag® Xtra expands your printing capabilities.

Let us help you increase your product offering by including printed magnets! Magnum Magnetix® is proud to offer DigiMag® Xtra for digital presses.

DigiMag® Xtra Features

- ➔ Superior registration, smooth feeding and superb ink adhesion and image quality
- ➔ Material is unmagnetized—magnetize post-press using magnetizers available from Magnum Magnetix®
- ➔ Can be cut, perforated or die-cut
- ➔ Available with or without back coating and with paper or polypropylene surfaces (some presses may require white back coating for efficient feeding)

White Back Coating

MAGNUM MAGNETICS.

NOTE: Take care when lifting and loading DigiMag® Xtra sheets. The magnetic substrate is heavier than paper.

Printability testing performed by Rochester Institute of Technology.

STORAGE

Store in a clean, dry place away from exterior doors or areas exposed to moisture. We recommend storing at 72° F (22° C) at 55% relative humidity. Keep the product in its original packaging until use.

SHIPPING AND PACKAGING

Magnum Magnetix® can ship your product almost any way you want it—in rolls, bulk on skids, cut blanks in boxes or using personalized packaging for private labeling. Most orders of our stock products can ship within 24 hours.

OUR PROMISE TO CUSTOMER SERVICE

We pride ourselves on unparalleled customer service—not just lip service. We offer genuine, customer-oriented solutions that beat the competition. Rely on the Magnum® promise: **Quality, Service, Delivery, Value.**

The next time you're in the market for flexible magnetic sheet, strip, custom profiles, or magnet related products, demand the brand that keeps its promise—demand the Magnum® brand.
