

The Force in Flexible Magnetics®

FEBRUARY 26, 2014

Attn: To Whom It May Concern

RE: BFR COMPLIANCE

Please be advised of the following information regarding BFR Compliance for Magnum Magnetics:

Magnum Magnetics does not add Brominated Flame Retardants (BFRs) to our product during the manufacturing process. We also confirm after review of supplier Material Safety Data Sheets and other documents such as letters of conformity; that our suppliers do not add BFRs to the raw materials they supply to us.

Sincerely,

A handwritten signature in black ink that reads 'Joe Stout'.

Joe Stout
Director of Product Development & Quality
Magnum Magnetics Corporation
